## EXPERIENCE

### **Freelance Designer**

My work includes both web and print design. In doing freelance, I've been able to work with corporate printers and clients to create designs that satisfy both. My work includes posters, invitations, web interfaces, collateral systems, and more.

2008–Present

### **Web Designer, "the Guru"**

University of North Texas, Division of Student Development  
Consistently designing and developing over 20 of Student Development's departmental web sites, including creating web advertisements for events. Work directly with heads of departments. Established a strong, working system upon hire that created solutions to previous problems.

2007–Present

### **Web Designer, Student Assistant**

University of North Texas, Recreational Sports Marketing Dept.  
Designed and developed the Recreational Sports web site. Hired with very little experience at all but learned Photoshop and Frontpage (I use Dreamweaver now) very quickly.

2004–2007

## PROFICIENCY

### **Much to moderate experience**

Adobe Photoshop, Adobe Illustrator, Adobe Dreamweaver, Adobe InDesign, logo design, identity, print design, illustration, Microsoft Office, (X)HTML, CSS, Javascript, jQuery, hand-coding, latest trends in web design, Microsoft Windows 3.1–7, Mac OS, writing for the web, copyediting, copywriting, time management, illustration, UI/UX, information architecture, usability and accessibility (abled and disabled users), weblogs.

### **Moderate to limited experience**

Drupal, Wordpress, PHP, Unix (Linux & BSD), Flash, SQL, MySQL.

## EDUCATION

### **English (Creative Writing)**

University of North Texas, Denton, Texas  
Additional concentrations in Communication Design, Computer Education and Cognitive Systems, Spanish.

2004–May 2010
